

Panama City, March 6th 2020

To whom it may concern.

Subject: Panama GB Summit March 12-15, 2020 reschedule.

Due to the recent worldwide health related issues due to the fast spread of coronavirus, we at the Panama GB Summit have been forced for the sake and protection of our exhibitors and attendees coming from different countries that have reported the virus, to postpone the Panama GB Summit to a future date, once the health crisis has passed.

We currently ask for the cooperation of all airlines and hotels help with reservations to mitigate the damage that has been already caused by showing flexibility to our guests by rescheduling or crediting such tickets or reservations.

Thank you for your cooperation.
